SUMMARY

I have internship experience in cybersecurity and enterprise workflow platforms. Strong foundation in programming, data structures, and problem-solving, complemented by leadership experience as a Student Placement Representative (SPR). Interested in Artificial Intelligence, Machine Learning, Cybersecurity, and Data Science.

EDUCATION

Symbiosis Institute of Technology, Nagpur
B.Tech – Computer Science & Engineering (AI & ML)
Expected Graduation: 2028

TECHNICAL SKILLS

Programming: Python, Java, C
Core CS: Data Structures & Algorithms, Operating Systems, Computer Organization
Web Development: HTML, CSS
Other: Problem Solving, Analytical Thinking, Team Collaboration

RESEARCH INTERESTS

- Artificial Intelligence
- Machine Learning
- Cybersecurity
- Data Science
- Generative AI

PROJECTS

UnivSafeNet – Student Database Management System
• Designed and developed a web-based student record management platform.
• Implemented structured storage and retrieval of academic records.
• Applied programming and database concepts to improve data accessibility and efficiency.
• Focused on secure handling and organization of student information.

INTERNSHIP EXPERIENCE

Tata Power – Cybersecurity Intern
• Gained exposure to cybersecurity operations, security practices, and risk management.
• Assisted with security-related activities and cybersecurity awareness initiatives.

ServiceNow University – Virtual Intern
• Completed hands-on training on the ServiceNow platform.
• Learned workflow automation and IT Service Management (ITSM) fundamentals.

LEADERSHIP EXPERIENCE

Student Placement Representative (SPR), Symbiosis Institute of Technology
• Coordinated communication between students and the placement cell.
• Assisted in placement activities, recruiter interactions, and student engagement.

CERTIFICATIONS

• Goldman Sachs – Risk Job Simulation
• AWS – Solutions Architecture Job Simulation
• Infosys – Data Structures and Algorithms Using Python (Part 1)
• IBM SkillsBuild – Ethical Considerations for Generative AI
• IBM SkillsBuild – Introduction to Retrieval Augmented Generation (RAG)

VOLUNTEERING

ICSIT Conference – Hospitality Team Volunteer
Advantage Vidarbha 2025 & 2026 – Event Volunteer
Entusia 5.0 BuildBrand Event – Volunteer
